

THE PEPPER POTS

TRAIN TO YOUR LOVER

Can't Let Him Go

Can't Let Him Go

Sometimes don't have to do right

Surely this is now the time

Baby this is not a crime

Can't let him go

When we were little girls

Someone told us what we just couldn't do

Baby this is not a crime

Can't let him go

When you see oh your man

And you know belongs to you

Youuuu

Have no regrets girl(uhuhuhuh)

Fight for your whole world oh yeah

(fight for your whole world)

Must show who you are,

Can't let him go

Have no regrets girl(uhuhuhuh)

Fight for your whole world, oh yeah

(fight for your whole world)

Must show who you are

Can't let him go

Let him go

You must be polite

'Cos girls don't fight, and never say bad words

Baby this is not a crime

Can't let him go

When you see oh your man

And you know belongs to you

Youuuu

Have no regrets girl

(uhuhuhuh)

Fight for your whole world, oh yeah

(fight for your whole world)

Must show who you are,

Can't let him go

Have no regrets girl

Fight for your whole world, oh yeah

(fight for your whole world)

Must show who you are,

Can't let him go

Let him go

(Can't let him go)

Fight for your whole world yeah

(Can't let him go)

Can't can't let him go

(Can't let him go)

Baby this is not a crime

(Can't let him go)

we are not little girls

(Can't let him go)

Can't let him go

(Can't let him go)

Baby, baby, baby this is not a crime

(Can't let him go)
