

# THE PEPPER POTS

## TRAIN TO YOUR LOVER

### Let's Go To Dance

Young boy, I have a fantasy  
I wanna go with you to a party  
And dance, with good music  
All it flowing inside my veins

I wanna get that sensation  
Moving all my body  
Dance floor under my feet  
Oh! Please come with me

I'll be the fire, stormy flame  
Outta control all around me  
Then desire to be free  
Of all of the clocks that I see

Yes! I will get that sensation  
moving all my body  
Dance floor under my feet  
Oh! Please come with me

Let's go to dance  
And bring out the power  
till the last hour  
Let's go to dance  
Getting crazy,  
doing it sexy

There is no secret, to feel it  
Let it come in through your ear and  
Catch the rhythm of the sound  
Cause it overflows on the ground

Yes! I will get that sensation  
moving all the body  
Dance floor under my feet  
Oh! Please come with me

Let's go to dance  
And bring out the power  
till the last hour  
Let's go to dance  
Getting crazy,  
doing it sexy
