## TRAIN TO YOUR LOVER

### Train To Your Lover

Maybe you miss something  
your better half, is near  
don't you see, I know it's real

You have to stop searching  
your prince charming is waiting  
please, open your eyes and feel alright

Uuh and from the station  
you feel a new sensation  
your heart beats  
there's a train to your lover

Uuh that's your salvation  
you feel that big vibration  
your heart beats  
there's a train to your lover

He has no finery  
he doesn't ride a horse  
he is a real person of course

Fairy tales don't exist  
have to hop on the wagon  
Which dragon will you be rescued from?

Uuh and from the station  
you feel a new sensation  
your heart beats  
there's a train to your lover

Uuh that's your salvation  
you feel that big vibration  
your heart beats  
there's a train to your lover
